

Mounting Steering Wheel Unit, Control Panel and Foot Pedals.

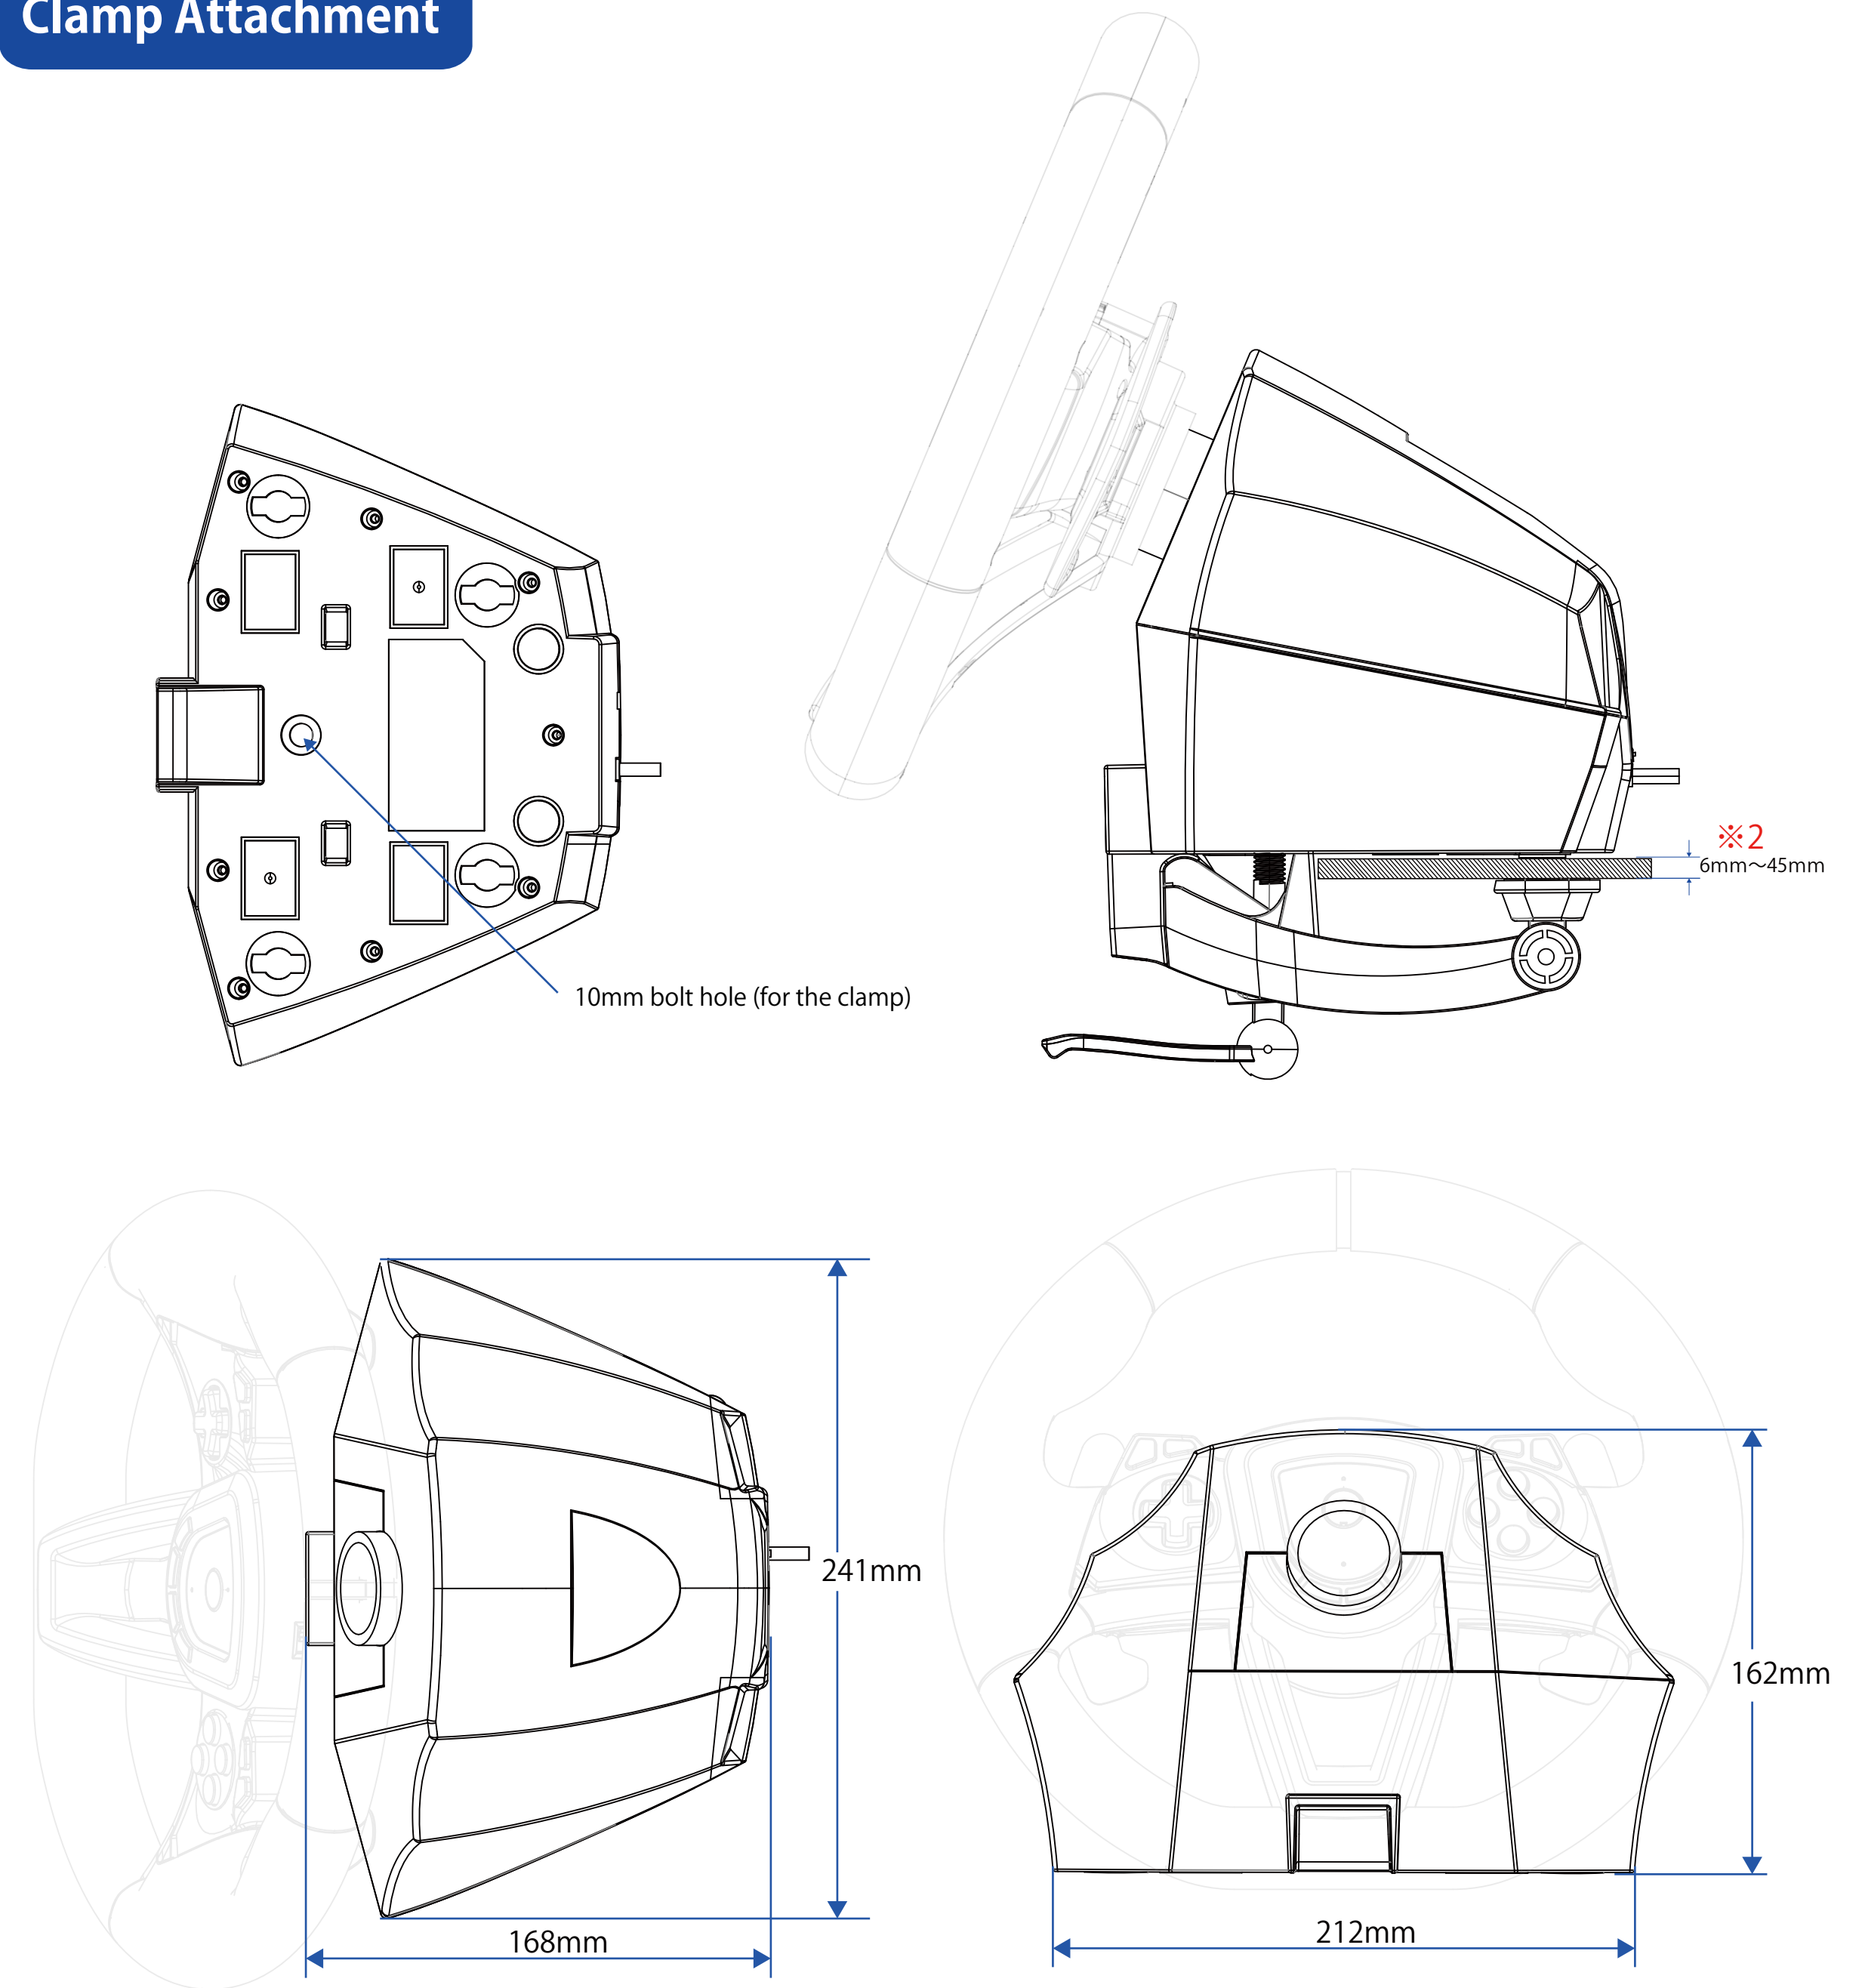

※Please contact the manufacturer directly for information about specific racing wheel cockpits and stands.

- SPF-004 Racing Wheel APEX for PlayStation®5
- SPF-022 Wireless Racing Wheel APEX for PlayStation®5

Steering Wheel Unit

- ※1：This product uses a clamp instead of screws for mounting.
- ※2：The racing wheel can be attached to a hard surface that has a thickness of 6mm~45mm. Please refer to Image 2 for reference. This product will not properly attach to a surface that exceeds 6mm~45mm.

Clamp Attachment

Foot Pedals

- ※1：This product uses a clamp instead of screws for mounting.
- ※2：A strap may be needed to properly attach the racing wheel to the racing wheel cockpit.
